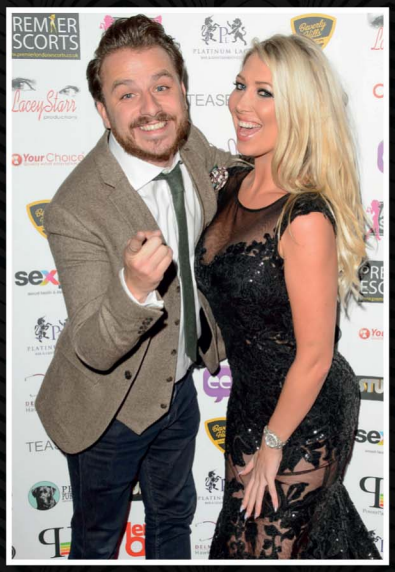
-THE PAUL RAYMOND- AWARDS 2015

PRP
PAUL RAYMOND PUBLICATIONS



On Bonfire Night we celebrated the greatest girls (and a few blokes too) from another fantastic year at the Paul Raymond Awards. And then we drank some vodka and wrote this...

The great, the good and the staff of Paul Raymond Publications gathered at Cafe De Paris in Leicester Square, London, for the 3rd annual Paul Raymond Awards. Bigger and better than ever before, this year's bash was hosted by British comedian Dapper Laughs alongside 2014 Paul Raymond Girl of the Year, Lexi Lowe, and saw the top stars of the adult industry picking up well deserved awards. With sponsors including Studio 66 TV, Platinum Lace Gentleman's Club, Tease-X, Percy Publishing, Adult Stars and more, the party kicked off with a bang (well a few indoor fireworks)! With Stella Cox winning the top prize and a whole host of other glamour girls and performers in attendance our loyal magazine readers were in dreamland as they mingled with the stars. Then the booze kicked in and the events that followed are somewhat hazy.

CANDY, HERTS

My wife and I enjoy going out for a spin on Sundays. That's also the day we have our best sex.

Last Sunday, I pulled out to overtake a lorry and then drove alongside so that the driver could get an eyeful of my hand working overtime in my wife's wet pussy. He honked his horn with pleasure.

Later on that day, we passed a coachload of football supporters on their way to a match.

I drove alongside slowly until we had an audience. Candy put her feet on the dashboard, unbuttoned her top and started ramming herself with the vibrator while playing with her boobs. I tried to concentrate on not killing us all!

The football supporters were over the moon. This was better entertainment than the bunch of overpaid tosspots they were going to watch that afternoon.

Candy was thoroughly enjoying herself, especially when four lads got their stiff cocks out and started wanking for her benefit. I slowed down to let the coach get in front and pulled in behind it.

Candy frigged herself off furiously as the lads crowded to the back of the bus. She eased the dildo fully in and out of her dripping cunt and rubbed her clit. She cried out with pleasure as she came again and again.

Danny, Herts.

Brothers in awe

Desperate to get away on a family holiday with my husband Jim, I had the mother of all mardies when my husband's boss told him he had to work that day.

It was left for me to go on my own with my two brothers-in-law.

Tom offered me a lift, saying Jim could meet us the next day.

Anyway, after the long hot journey we arrived. I was missing Jim's cock - at 10-and-a-half inches it's a lot of cock to miss.

His brothers had been making some naughty remarks on the way down. To be honest, I had got quite damp and sticky.

One thing they said was that if I went for a shower to leave the door open so they could watch. Well, I needed a shower and I wanted some cock.

Don't think badly of me, it's just that I am extremely

highly sexed. The reason I stay with Jim is because he can keep up with my demands (and he has a whopper chopper).

I told them I was going for a shower, and they followed me there with big grins on their faces. I slid my clothes off sexily, and their cocks bulged in their jeans.

It really turned them on to see me naked in the shower through the open curtain. I slid my fingers into my hole.

They had their cocks out by now and were wanking like nutters. I knelt down and took Ian's cock in my mouth. He was no Jim, but still had a good eight inches.

I still had three fingers driving in and out of my cunt vigorously before Tom made me stand up and bend over.

He moved my hand and replaced it with his tongue, cleaning me inside out.

They were giving me their best, but it wasn't enough. I sent Ian to fetch my 12-inch dildo. When he came back with I told him to ram it up my arse, which he did.

At this point Ian took control of my cunt and I could feel him forcing his fist inside me. Then Tom pushed his cock into my mouth.

I knew what I was doing was wrong but it felt great. My cunt was gaping and I was aching for more.

Then Tom carried me into the bedroom, lay down and told me to sit on his cock. I did as he said and his dick disappeared into my twat.

All this time the dildo in my arse was in as far as its five-inch base, stretching my arse as wide as it has ever been.

I leaned forward and Ian positioned himself behind me. Before I knew it he'd thrust his cock in alongside his brother's in my tightly stretched cunt.

I now had two cocks in my cunt and a massive 12-inch dildo buried in my arse.

I started screaming for the boys to cum right up me. "I want every last drop, come on and fuck me you dirty bastards!" I yelled.

The first to cum was Tom. His face contorted as he sent what felt like a pint of hot sperm into my cunt.

Soon afterwards Ian spasmed and shot ream after ream of creamy spunk deep into my cunt where it mingled with his brother's.

Then I jumped off, pulled the dildo out of my arse and went and finished my shower. The next day Jim joined me and gave me a real cock to ride on. The brothers don't make comments any more!

Lisa, Ipswich.

TRUE BLUE

REAL STORIES FROM THE SECRET WORLD OF UK SEX!

Working as a professional submissive, Alex enjoys acting out her favourite role plays with discerning clients. Terribly naughty, it's her business to be bad!

From a young age I found something delicious about being overpowered by a strong, dominant man and being made to call him 'Sir'.

Getting a secret kick out of being verbally disciplined by teachers, bosses and uni lecturers, I always hoped that my cheeky remarks would earn me a sound spanking. Obviously those real-world encounters never led to anything, but they fuelled my fantasies and now I'm doing a job that allows me to live them out.

Originally I was working as a vanilla escort. There was nothing particularly kinky about my sessions, but I had a favourite client who erred on the kinkier side. He noticed how much I enjoyed my appointments with him and recommended I dabble a bit more in BDSM. I'm so glad he did!

It was like a world of fantasy-fulfilling possibilities had opened up to me, so I set myself up as Submissive Alex. Now, as well as offering some of the more familiar escorting services, I specialise in over-the-knee bare bottom spankings; role-plays including schoolgirl/sixth former, maid, secretary, nurse, slave, hostage/prisoner; bondage with rope or cuffs and switch. This is when the submissive fantasy character switches, takes her revenge and dommes her teacher or master in a bid to show him how much that spanking hurt. Be warned, I can be very mean too!

Often, those that enjoy dishing out a jolly good spanking and giving my bottom a rosy glow are people who grew up in the era of strict school discipline. The cute but formal school uniform of the day is one of my personal favourites: I relish playing a cheeky brat whose skirt is far too short and my luxuriously domestic in-call apartment setting is perfect for this type of erotic play, spanking sessions, or corporal punishment using my many implements.

In fact, one of my sexiest appointments ever was a traditional school role play. A gentleman came to visit me with a stunningly beautiful lady companion. He explained that, like me, she was a very bad girl and we both deserved a thorough session of discipline!

French fancy: Alex all maid up

"To my delicious embarrassment, he ordered her to spank my bottom while he watched"

Caned and able: Sub Alex in action

Interview by Rose Crompton

She looked amazing with her pleated school skirt and tie on, but soon we were both stripped naked and one by one went over his knee for very hard spanking on the bare bottom. After, to my delicious embarrassment, he made me go over her lap and ordered her to spank my bottom while he watched, before swapping! He then instructed us to kiss and cuddle one another to comfort ourselves (which worked a treat!) while he watched our red bottoms in the mirror and touched himself. Then we offered to help finish him off together, like well behaved girls!

Of course not everyone is nostalgic for old school days. My services are incredibly varied and attract people from all walks of life. Some are 18, some are 80, some are couples, some have an adventurous fetish to explore and some are dipping their toe in the water for the first time.

I have a set hourly and half-hourly rate, which includes role-playing, me in any uniform of choice, endless hard hand spanking, and a fully personal erotic service. I charge extra for certain services such as corporal punishment with implements and bondage. A typical session will start with a chat about the role play or service they'd like. When they're ready, I'll go and dress up in the other room, before knocking respectfully and waiting to be called in by Sir or Madam. We will then enact the role play, invariably leading to me bent over their lap, being spanked for some misdemeanour! This may lead to other naughtiness, like me being prepared to do anything to wiggle out of my punishment. Sir is usually quite hot and bothered about my white cotton knickers and red bottom by this point, so I do my best to relieve him. See, I am a good girl really!

At the moment I enjoy playing the naughty maid, who has been caught watching dirty videos while she was supposed to be cleaning the house and must be punished or face the sack. However, I'm always on the lookout for new stories to play out!

Find out more about Alex's services at http://www.submissivealex.com or follow her on twitter @LondonSubAlex

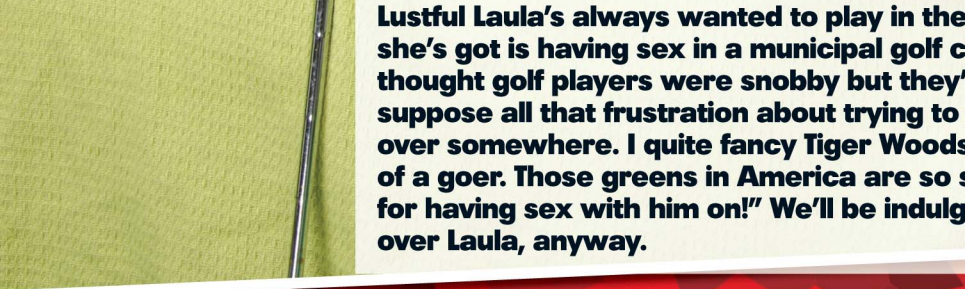
LAULA



Lustful Laula's always wanted to play in the Open – but the nearest she's got is having sex in a municipal golf club car park. "I'd always thought golf players were snobby but they're actually really randy. I suppose all that frustration about trying to get into a small hole boils over somewhere. I quite fancy Tiger Woods and he seems like a bit of a goer. Those greens in America are so smooth they'd be perfect for having sex with him on!" We'll be indulging in some stroke play over Laula, anyway.

Mucky meat-up

Thanks to your Contact section (I appeared in vol 33 no 12), I've been texting and talking to a lad from Yorkshire. Gary is ten years younger than me!

My hubby and I met him for the first time this summer, in a pub that joined onto a hotel between Yorkshire and Brum.

Gary had already told me how he would like me to dress. So I wore black hold-ups, a black thong, a very short mini skirt, a pale blue shirt with no bra and very high black stilettos.

I texted him while we waited in the bar. He came up to us and said he had looked for a horny woman and spotted me instantly.

Gary put his hand on my leg and I sat closer, so we were touching. Then he moved his hands up my leg to my stocking top. I opened my legs slightly so that he knew I was OK with it.

He had the biggest hands I've ever seen and all I could think of, was where they would be later on.

My hubby left us alone and went outside for a cigarette. Gary leant towards me and kissed me. His hand was well up my skirt by then. I was getting very moist!

When my hubby came back we left the bar. I went into the room first to get ready for them. Five minutes later they both came in. Gary came straight over and started kissing me, pressing his rock-hard cock against me.

My hubby got us drinks while we stood in the middle of the room snogging. Then Gary lifted my shirt off and let it drop to the floor.

He led me to the bed and laid me down. He kissed his way down my neck to my nipples, which stood out hard and erect waiting for him to lap his tongue around.

He licked up and down my arse crack, just moving my thong to one side. It was very horny. He paid a lot of attention to my arsehole: it felt wonderful.

Then I got him to lie down and kissed all the way down his chest to his boxers. Then I unleashed his big hard member. My husband is quite big but this was a monster!

I knelt between his legs and starting licking his lovely knob and letting my mouth slide up and down his cock, all the time looking up at him. I licked his balls all the way down to his arsehole and flicked my tongue around his hole.

Letting my tits rub all over his cock and balls. I took his cock between my tits and the juices off his knob made it so easy to slide up and down.

He said, "You dirty fuck, do you want me to cum?" I said, "Yes, cum all over my face."

I wanked and sucked him then he let me have it all over my face and hair.

My hubby was watching from the chair and said "You horny bitch, you're covered!"

After a short break, he pulled me onto him, and then flung me over. I lifted my arse up high for him. He licked it up and down again and then pushed one of his big fingers up my arsehole, while still licking my crack. He fucked my arse with his finger until I

IT WAS SO HOT PLEASING TWO HARD COCKS AT THE SAME TIME

cried out with pleasure.

Then my hubby said we should change the game. He took off all his clothes and his cock was stiffer than I had ever seen it before.

I knelt down between them both: first I sucked on Gary then I turned and sucked my husband and started switching between them both.

They both started to grab my hair as they took it in turns to push their cocks into my mouth. It was so hot pleasing two men at the same time.

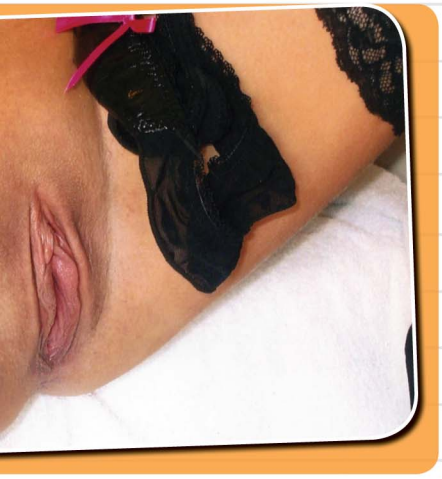
I then held a cock in each hand and took them both into my mouth at the same time, letting them rub around my cheeks.

Gary then bent me over, licking my arse again and pushing his tongue right in my arsehole.

Pushing me downwards so I was on my hands and knees, I raised my arse up for him. Holding onto my hips he rubbed his big dick up and down my crack.

Standing in front of me, my hubby pushed his cock into my mouth, holding the back of my head.

I started to beg for one of them to finish me off. Gary pushed me onto the bed and raising my legs up high let his



big hard member enter my dripping wet pussy.

It was so big I cried out and he slammed into me hard and fast making me cum quickly. Then he let me have it, spurting his lovely hot creamy spunk right up me, as I called out, “Oh yes, yes!”

I was crazy with excitement by this time, as they had made me wait for some good hard cock. But boy was it worth it! His lovely cum was all over my fanny and dripping down my legs.

We are still texting and hope to meet again soon.

Donna, Birmingham.

Strange Position

Finding my current position boring, I started applying for jobs.

Because I was under no pressure to find work immediately, I found that I wasn't nervous at interviews and could use them as practice.

JUICES DRIBBLED DOWN MY CRACK AND ON TO HIS DESK

At one interview, I tried to stay serious, but couldn't resist flirting with the interviewer, Simon.

It was mean of me I know, but when I saw him glance at my chest, I asked if he was "enjoying interviewing my tits". I didn't give a fuck what I said because the interview didn't matter, but he wasn't to know that – he looked at me, gobsmacked.

He laughed nervously and apologised if he'd offended me. At that point, I decided to come clean, telling him why I was really there. Then I said that, of course, I could think of several better ways to waste each other's time…

Two minutes later, he was getting an even better look at my tits, because they were popping out over the top of my bra.

As he licked my hardening nipples, I pulled my skirt up and my panties to one side, then guided his hand in between my legs. He pumped me with two stiff fingers, making me moan.

"On the desk," he ordered me. He didn't want me naked, reckoning my interview suit was well horny. I perched on his desk, spilling out of my clothes, one stiletto heel resting on each arm of his executive chair.

Simon started eating me like he hadn't sucked on a pussy in years, lapping and drooling at my wet snatch. But whatever he was doing it was working – I felt this sudden flash of pleasure, and jerked away from him – I wanted to string things out a bit more. We kissed and I tasted myself in his mouth.

My hand a bit shaky, I fumbled in his trousers, pulling out his big, erect cock. I didn't spend too much time wanking him, though. Instead, I lay back on the desk, sending half the papers and stuff on it flying.

Not that Simon cared. He was gazing at my pussy, pink and oozing, watching the lips part as he nudged his swollen cock head into my opening.

He fucked me hard, back and forth on the desk. He was circling his hips as well as thrusting, and I put my legs up behind his back, holding him deep in me.

Soon I was cumming, juices dribbling out of my pussy, down my crack and onto his desk. My juices were soon joined by more body fluids as Simon jizzed inside me, pulling out and collapsing back in his chair to watch it all flood out of me as he squeezed the last of his load out of his cock with his hand. I didn't miss a thing – I squatted down in front of him and licked the cocktail of our cum off the desk.

There was no way he could offer me the job after what we'd done – as he said, I'd put him in a bit of an awkward position! But I got his number before I left!

Sarah, West Sussex.

Pussy hunt

My missus found a cat in our shed and made me call the owner (the number was on the collar) and go and drop it off.

I told her the owner sounded like a little old lady, lying through my teeth. She sounded young and sexy and I wasn't disappointed when she opened the door. Her name was Anita and she was about 30 slim and attractive.

She didn't ask questions, so I didn't have to lie, but she did offer me a reward. I told her I didn't want her cash. "Then maybe I'll buy you a drink sometime?" she said. "If I was single… I told her."

That didn't put her off any. In fact she got this dirty glint in her eye. It set off something in me, and I said I'd settle for a snog. But we both knew it wouldn't stop there.

She led me through to the bedroom, saying we'd corrupt the cat if we shagged in front of it. Then I watched as she stripped off. We snogged each other's face off while I copped a good feel of her boobs. Then I felt my way down, until I was kneeling, level with her crotch. I took off her G-string, staring at her cute pussy for a few seconds, then started licking her slit. Soon she had one leg thrown over my shoulder, clinging onto me for balance as I ate her cunt.

It was a much easier job on the bed, laying her back and shoving her legs so far up and back her knees were up against her tits. I stuck my thumb in her cunt and slid my middle finger up her arsehole, then got licking at her clit, sending her into a frenzy. She was rocking back and forth, wriggling against my fingers, until I felt her cum around them. Then it was my turn.

I kept her as she was for a deep fuck, slipping my cock up her slow as I could manage, making the most of the pleasure. Then I just banged the arse off her, mashing my crotch against her snatch until I was flooding her pussy with spunk.

I couldn't hang around too long, but she wasn't letting me go anywhere yet. My finger up her arse had whetted that appetite – she rolled over on her belly, put her arse in the air then reached back, smearing the spunk and juices oozing from her snatch up over her crack and around her arsehole, using a couple of fingers to wet inside it too.

A few minutes of watching that and my cock was

Geek Cheek

The geek Kevin who lives upstairs was trembling like a human vibrator when I asked him to zip up my dress for a night out at the student union.

I took pity on him and told him to play with my tits. Maybe it was all the gaming he did, but the way he used his thumbs on my nipples just got me so fucking hot.

Kevin took so long over paying them attention, just rubbing his face between them and sucking and tweaking my nipples. It was doing it for me – almost. I was still dressed below the waist and squirmed my arse up against the bed, trying to work my gusset into my slit so it pulled against my clit and pussy.

After a while he started playing with himself, hand buried inside the baggy trousers he had on. "Let's see it," I moaned, and he turned out to have quite a nice cock on him. "The good thing about my tits," I said, "is that your cock is going to look great between them."

His love-eye was dribbling with pre-cum. He had it all over his hand and I helped him smear it on my cleavage. "I'll wank you and you play with my nipples again," I told him. He laid his cock hard and flat against my slippery skin, then as I kneaded my globes around his shaft like dough, he pulled on my teats.

It was probably evens who was most turned on, until he clapped his hands over mine and shoved my boobs really hard together.

He was humping in hard, his deep-red helmet popping in and out between them.

Then suddenly he let out a grunt and, a split second later, the cum started spurting out of his tip. It looked like it was happening in slow motion, but the first jet hit before I could grab my boobs and shove them up and forward. Then it just kept shooting out and splashing all over them, Kevin aiming at my nipples so there was a sticky white layer covering them.

He scooped up all the little stray splashes with his finger, feeding them to me, then he went down on my nipples, one at a time, eating his own

twitching. I pumped into her cunt a couple more times, then slid upwards to her pink pucker. I knew she'd taken cock up there before – although her arse was tight it totally relaxed – and I was soon in up to my balls.

She twisted about on my bell-end, moaning loud as she started to frig her clit. I dropped a hand and felt her pussy was already pulsing, and she kept on cumming as I fucked her. Finally, I couldn't hold back any longer and I lost my load deep in her arse.

By the time I left, I had three missed calls from the missus. I told her the little old lady had got emotional.

jizz off them. "Perv!" I said, but he just gave me a grin. He enjoyed having me at his mercy – I asked him was he going to fuck me now, and he said not until he'd seen me make myself cum.

My dress came off and I just stood there, fingers down my knickers, frigging myself off. It wasn't long before I was cumming, then Kevin and I squeezed into his bed for a bit more fun.

He even managed to give me a few orgasms – when I could coax him away from my tits for a few minutes, that was!

OktoBer-Breast

Visiting Munich for Oktoberfest last year with my boyfriend Spence, we spent the whole day boozing in a tent.

This lad of 19 was trying to chat me up, and although he was drunk I accepted when he asked me to dance. On the packed dance floor he took great delight in lifting my short dress so his mate could take photos of my arse.

I pretended to be shocked but I actually enjoyed the guys getting an eyeful of my arse. I nodded to Spence and led the young guy outside. We went to a secluded area and I told him I wanted him to fuck me.

I undid his trousers and pulled out his half-cocked dick. Spence stood by grinning as I fed Paul's thick, pliable cock into my mouth. I really enjoyed bending it all into my mouth to bite and tease it.

Then Paul's mate, the one with the camera (Sven), came along and offered me a stiff prick to suck on. I sucked both cocks for a while before Sven slid his cock right up my slippery cunt and I stroked my clit. Sven pulled my dress up over my head and I stood there naked as he fucked me.

As Sven forced his cock into me, Paul got stuck in and started sucking my tits. Sven said something I didn't understand, but it became clear he was going to spunk in my face as he pushed me down.

Sure enough I got a glorious face full of cum. I was busily slurping away at the cum around my mouth when Spence wandered over. He enjoys the sight of me fucking and sucking other guys.

All four of us went back into the tent and I had a wonderful time as my pussy was fondled by the three of them.
